Commander's Message:

February is coming to a close, but the trips to the Department Commander's visitation were great. I made all but two. Six Dinners, which made my weight go up 10 pounds. But the meeting of new friends in the Legion was the best part.

Hope everyone is working hard on Membership. Congratulations to Frank L. Gierlach Post 1320, 104.29% and Francis J. Donovan Post 1326, 101.51% for being the first of 35 posts, who I am hoping, reaches 101% before May 1, 2020.

Everyone knows about the Legion Act so get out there and sign up new members.

Visitations are very important for the County Commander to do. If I have not contacted you please, please call me so we can set up a date. I have already scheduled Posts 721, 880, 1377, 1626 and 1640. Usually the President of the Erie County Auxiliary travels with me and I do ask Vice Commander Gary Wald to join me.

Consolidated Post Reports are a must for every Post to fill out. It lets us all know what's happening in the Legion Posts. I did not know until the Department Commander's visitations that a Post could lose its charter for not reporting. Did you also know this report is tabulated and given to our State and National elected officials? Believe me they read them, and we do know that they know 95 % of us vote.

I want to stress to all that we are a family. Legionnaires, Auxiliary, SAL members, Riders, should work together to make our Legion Family stronger. Lincoln said "a house divided will fail" so please everyone please work together.

I must apologize but the weather reports I was receiving and the snow that areas were getting made me cancel the meeting February 27, 2020. See you at our next meeting on March 26, 2020 at David McKeever Post 64.

Membership – VC Paul Wackowski

Since the last Department Membership report dated; February 24, 2020, there are two Posts that have attained their goal of one hundred percent. When you Post has accomplished this achievement, kindly forward that information along with the name of the Post Commander and Membership Chairman. Also include shirt size, send to paulwackowski@yahoo.com or 716 - 262 - 5245.

The County currently stands at 88.5%. Please contact all of your unpaid members personally to get them to renew. Let's not let them fall by the wayside. Yes, it will take a bit of effort, but we must keep our membership strong for our voice to be heard and also support our programs.

Special Activities – VC Gary Wald

All individuals and Posts who have participated in the Calendar Sales program have done a fantastic job. 949 calendars have been sold. Congratulations! The three winners for the most calendar sales will be announced at our March Meeting.

Americanism – VC Fred Pask

The objective of the broad, far-reaching community service program of The American Legion is “to inculcate a sense of individual obligation to the community, state and nation. Community Service” is a major Americanism activity. Several good projects should be included on the program of every Post each year. It will bring a sense of great satisfaction in later years to look over worth-while institutions or completed projects and to be able to say: “The American Legion completed that project in this area”. The Post should first conduct a survey, look over activities promoted by others, decide what the community needs and set out, with the cooperation of other organizations, to accomplish its desired objectives. It is important that a well-qualified Community Service Committee Chairman be appointed. This chairman is the Post’s front man in contacting other civic groups and fraternal organizations. Active participation in community affairs promotes favorable public opinion, improves the image of The American Legion and often increases Post membership.

Law & Order – Ron Diebold

Time to submit your candidate for National Law Officer, Fireman, And Emergency Medical Technician of the Year Award to a well-rounded candidate who has exceeded the duty requirements expected of his or her position and has demonstrated a distinct pattern of community service coupled with professional achievement.
